ARYAN MISHRA

ENTRY-LEVEL DATA ANALYST | BUSINESS INTELLIGENCE

India | +91 9648261916 | aryan34575@gmail.com
LinkedIn | GitHub

PROFESSIONAL SUMMARY

B.Sc. Mathematics graduate with practical training in data analytics and hands-on project work in financial analysis, exploratory data analysis, KPI reporting and business storytelling. Comfortable working with Excel and Power BI, with foundational SQL and Python skills. Interested in entry-level Data Analyst, MIS Analyst, Reporting Analyst and Junior BI opportunities.

CORE SKILLS

Analytics: Exploratory Data Analysis (EDA), data cleaning, KPI tracking, trend analysis, year-over-year comparison, financial analysis, data interpretation and business reporting.

Tools: Microsoft Excel (Intermediate), Power BI (Intermediate), SQL (Basic), Python (Basic), Pandas (learning), GitHub.

Work practices: Structured problem-solving, documentation, research, data storytelling and responsible use of generative AI.

SELECTED PROJECTS

• **Tata Motors FY23–FY25 — Independent Financial Analysis** | Excel, Financial Analysis

Organised publicly disclosed financial information, compared three financial years, reviewed key indicators and year-on-year movement, and documented findings with source context. Independent project; not affiliated with or endorsed by Tata Motors. GitHub repository.

• **Tata iQ — GenAI-Powered Data Analytics Job Simulation** | Forage, Completed 2 November 2026

Completed practical simulation tasks involving dataset structure review, exploratory data analysis, data-quality considerations, delinquency risk profiling, AI-supported prediction reasoning and business reporting. This was a job simulation, not employment. Simulation page.

• **Aryan Data Analyst — Analytics Workflow Project** | Python, Pandas, Excel/CSV

Project work focused on a repeatable workflow for inspecting, preparing and exploring tabular datasets, reviewing KPIs and communicating findings. GitHub repository.

EDUCATION

Bachelor of Science (B.Sc.) — Mathematics | 2024 | 76.71%
Nandini Educational Institute, Gonda, Uttar Pradesh, India

CERTIFICATIONS & TRAINING

• Ultimate Job-Ready AI-Powered Data Analytics Course — CodeWithHarry (4 September 2026)
• AI Tools & Claude Workshop — Be10x (29 March 2026)
• CCC Certificate — Computer proficiency

TARGET ROLES

Entry-Level Data Analyst | Junior BI Analyst | MIS Analyst | Reporting Analyst | Data Operations Associate
